Our first day in Kindergarten has been a great success! We hope there were not too many tears and that you enjoyed “The Kissing Hand.” Feel free to use that as a strategy for separation anxiety throughout the year - especially at the start. We really would like to encourage and promote independence from early on. If you could please talk with your child about what their bag looks like and also explain to them what you are packing them for little lunch (recess) and big lunch so they can individually tell the difference between them. As you can imagine, these things can be a little confusing and overwhelming if they are not sure. Thank you to all of the parents who have already brought in play-doh, tissues and wipes. If you have any questions, please contact your child’s teacher. Have a wonderful week!

Things on this week...

Sports days will be on Monday and Thursday. Please ensure your child has their sports uniform ready and labeled with the appropriate footwear.

Reminders

- Please ensure all of your child’s belongings are clearly labelled.
- Every child needs a tub of Playdoh. Please ensure your child has a tub at school.
